3. To delegate decision-making to the most effective level within the administration

SYSTEM OF DELEGATIONS: MHLONTLO LOCAL MUNICIPALITY

4. To promote a sense of collective responsibility for performance; and
5. To assign clear duties for the management and co-ordination of the Municipality's administrative components, systems and mechanisms

SYSTEM OF DELEGATIONS: MHLONTLO LOCAL MUNICIPALITY

Purpose

A delegation framework is intended to provide a conducive climate for the smooth-running of the municipality, effective and efficient management of resources and further provide an unhindered and very reliable system for the performance of the various powers and functions between the various structures and offices of the Municipality so as to give effect to the democratic principle of separation of powers and authority.

Scope

This delegation framework is meant, first and foremost, to give effect to the provisions of the policy framework as well as the laws of the Republic of South Africa as it relates to the various spheres of government and the various offices and structures within the local sphere of government..

Our approach to this delegation framework will be as follows:

- a) As a start Council will approve the minimum delegations as provided for in the various pieces of legislation and other policy documents of our democratic government. This shall include any collective agreements that the Municipality is party to either individually or collectively with other structures of government. To this end extracts will be taken from these pieces of legislation and have them provided for in this delegations framework which shall be the delegation framework for the Mhlontlo Local Municipality once approved by Council;
- b) With the existing policies having been ratified, either with or without amendments, by Council, the various powers of authority being vested upon the various offices and structures of the Municipality, this delegation framework will be accordingly amended to reflect such provisions;
- c) With further policies being developed within the Municipality, and amendments being effected to the national and provincial laws and policies, coupled with the annual review of the Municipal policies, this delegations framework shall likewise be reviewed and amended by the Executive authority and ratified by Council.

SYSTEM OF DELEGATIONS: MHLONTLO LOCAL MUNICIPALITY

PRINCIPLES OF DELEGATION

- 2.1** In terms Section 59 of the Systems Act, Council must develop a system of delegation that will maximise administrative and operational efficiency and provide for adequate checks and balances.
- 2.2** The Constitution empowers a municipal council to make By-laws which prescribes rules and orders for the powers and functions of its committees, and further prescribes those functions which may not be delegated by Council.
- 2.3** All delegations must ensure that the council retains all legislative powers and those executive powers which cannot be lawfully delegated.
- 2.4** Policy formulation and determination process is as follows:
 - 2.4.1** Policy is determined by the body that has the authority to do so in terms of Council's delegation systems.
 - 2.4.2** Any political structure or branch of the executive may initiate the generation of proposed policy. The procedure to follow in determining the policy will depend on which body has the final authority to approve it.
 - 2.4.3** Policy which is required to be approved by Council must first be channelled *via* the Councillor concerned for his/her consideration. He or she may approve of such policy if it is within his/her delegated power to do so, alternatively if it is for decision for a higher body, the Councillor will forward it to such for its consideration and approval.

SYSTEM OF DELEGATIONS: MHLONTLO LOCAL MUNICIPALITY

- 2.4.4 Policy which is delegated for approval by any level of administration, may either be referred to the relevant Councillor at the discretion of the delegatee for comment and recommendation, alternatively the delegatee may set the policy him- or herself.
- 2.4.5 Notwithstanding the above, if any proposed policy has a direct and significant impact on the community then the approval of the Council via the Standing Committees of Council, shall be obtained.
- 2.5 The Council as the legislative and executive authority may exercise no power and perform no function beyond that conferred upon it by law, the executive may not exercise its authority contrary to any policy approved by Council or any other level of executive higher than itself.
- 2.6 All delegations must be aimed at empowering the relevant executives to perform their functions effectively, taking into account the different levels of decision-making.
- 2.7 The functions allocated to Council's executives as may be approved by Council from time to time will form the basis for the allocation of delegations of executive decision-making power.
- 2.8 All delegations are conditional upon compliance with Council policies, its IDP and budget.
- 2.9 All delegations must be in writing, see annexure ...
- 2.10 Delegations must provide for good governance and allow for adequate checks and balances.
- 2.11 All delegations must enhance service delivery without sacrificing accountability.

SYSTEM OF DELEGATIONS: MHLONTLO LOCAL MUNICIPALITY

- 2.12 The Municipal Manager is authorised to sub-delegate any of his/her powers to the most appropriate and effective level.
- 2.13 Delegations must not oblige a delegatee to exercise his/her delegated power and must therefore allow for the decision to be taken at the next higher level.
- 2.14 In exercising the delegated authority, the delegatee must do so in the spirit of utmost good faith.

CONDITIONS OF DELEGATION

- 3.1 All decision-making powers delegated under this delegation framework are subject to the following conditions:

- 3.1.1 Delegated powers are conferred upon offices and/or positions within the Municipality and not personally on incumbents.

- 3.1.2 These delegations also apply to acting positions. Persons acting in these positions have the same delegated powers as those serving in a permanent capacity, provided that the competent authority has duly appointed such acting persons.

- 3.1.4 These delegations do not redefine Council's powers and functions.

SYSTEM OF DELEGATIONS: MHLONTLO LOCAL MUNICIPALITY

- 3.1.6 In executing delegated powers, no expenditure may be incurred unless the delegatee is satisfied that the Council has budgeted for the expenditure and that funds are still available on the relevant budget votes.
- 3.1.7 Council or any other part of Council's executive leadership above the delegatee may at any time, subject to applicable law, order a delegated matter not to be proceeded with by the delegatee and then deal with such matter.
- 3.1.8 The chain of authority from the Council to the Mayor to the Councillors, to the Municipal Manager and Officials below must not be jeopardised by any delegation.
- 3.1.9 The Executive delegated to take a decision, may determine whether a report is needed motivating the decision and whether the decision must be reduced to writing. If a report is required then it must indicate that all legal and financial requirements have been met.
- 3.1.10 A delegation may set out special circumstances in which a delegatee is prohibited from exercising his/her delegated power, for example if the delegatee is recommending the rejection of the most financially beneficial tender offer.
- 3.1.11 Any sub-delegation must be reduced to writing and recorded in the delegation register, which must be kept updated at all times by the Municipal Manager.
- 3.1.12 All decisions affecting the rights of others must be in writing and reasons must be recorded for such decisions.

SYSTEM OF DELEGATIONS: AHLONTOLO LOCAL MUNICIPALITY

- 3.1.13 The Council or any other delegator, may at any time withdraw, qualify or amend a delegation made by itself.

- 3.1.15 Provision must be made for separation between the evaluation and recommendation stage of the decision-making process and the actual decision itself. This must happen in all cases where the decision-making process is reasonably capable of being divided as set out above.
- 3.1.16 All delegatee must report delegated decisions at such intervals as the delegator may require. These reports are to enable the delegator to determine whether the policies regulating the power are adequate and/or whether the delegation is appropriate.
- 3.1.17 Appeals against any decisions taken in terms of any delegated authority, must be dealt with in terms of the Systems Act by an appropriate appeals authority. This authority could either be a Special Committee set up for this purpose or the Municipal Manager depending on the level where the decision originated.
- 3.1.18 Any delegator may require a selected sample of decisions taken by a part of the executive below him/her to be audited.
- 3.1.19 The system of delegations must be reviewed in terms of the provisions of the Systems Act whenever a new Council is elected.
